COMMITTEE REPORT 2016-2017

The proposed changes to the structure of the SGRA Committee agreed at last year's AGM have been successful, with the team working together on various matters as and when required and Sheila Miles continuing as Treasurer. Meetings take place at The Milford Arms and the staff have been most supportive and interested in our activities.

We have continued our participation in many organisations including the Resident Association Forum (RAF) and G15+ giving us access to local matters relating to our area, Safer Neighbourhood Local Policing Team, NHS Clinical Commissioning Group, HACAN.

On behalf of the Association we would like to express our appreciation to Danny Rybowski, our ex Chairman, for his continued support in representing SGRA at meetings held by several organisations and providing us with their reports.

Newsletters have been produced approximately every 4-6 weeks over the year and we would like to thank Terry Chilvers for his contribution to the preparation and printing of the Newsletter and other papers. A brief survey after last year's AGM revealed that the vast majority of members prefer to continue to receive a hard copy. Our thanks go to our Street Reps who deliver them.

Sadly, due to lack of positive response in recent years, it was decided that we would not have a stall at the St. Vincent's Church Fair last June.

The Police have shown their support by attending some of our meetings and continuing to give us updates on matters specifically relating to the Spring Grove area. No major problems were reported.

Councillor Tony Louki has attended many meetings and we are very grateful for his interest in our organisation and support in pursuing specific issues of concern which we have raised with him, including Thornbury Park, pot holes, footpath to Osterley Station and litter.

For the second year a buffet was held at the Milford Arms following the December Committee Meeting and we were pleased to see an increase in the number of Members attending.

The Committee is confident that the SGRA can look forward to a positive future.
