## **Affiliated Block Membership of SGRA**

SGRA offers an affiliated block scheme of membership to blocks of flats within the SGRA area.

Each flat in an affiliated block is deemed to be a household, subject to the provisions of Rule 9.1 of the constitution. Any adult resident in a subscribing household is entitled to benefit from the services provided by the Association.

Rule 9.1 of the constitution refers to voting at AGMs, EGMs and General meetings and states that **'All members present at the meeting shall be entitled to one vote for each issue being voted upon except that, in the case of flats paying a composite subscription, only members of their management committee present at the meeting shall be entitled to a vote. The issue shall be decided by the majority of the votes cast.'**

Other conditions that apply to affiliated block membership relate to the requirement that SGRA has the following nominated contact(s):-

- Contact to handle annual invoice and ensure payment of subscription to SGRA treasurer
- 
- Contact to receive newsletters and other documents for onward distribution to the affiliated block households
- 
- Contact for any issues arising (and for representation on SGRA committee\*)

The above contacts could be one and the same person or different people.

Membership rates are reviewed every year and approved at the AGM.

Affiliated blocks pay a reduced subscription rate per flat reflecting their restricted voting rights.

\*SGRA would welcome a representative of the affiliated block's Residents' Association on the committee but this is not a condition of Affiliated Block membership.
