A resident in Burlington road reported –

“Just been stopped in my road by an Asian lady claiming to have been locked out, mobile dead, can I ring her husband & give her money if she leaves me her jewellery as daughter been involved in an accident & needs to get to the hospital! Told her I know she's a con artist & she ran off!

There's a gang going around at the moment, my friend was tricked into giving money last week!”

**Please do not give money to strangers.**

### **Operation Hawk**

A new Met police offensive against street level drug dealers, the public is being encouraged to come forward with information about who may be dealing drugs in the borough. In the next few weeks officers across Hounslow borough and the rest of London will begin carrying out daily operations targeting local drug dealers as part of the Met's total war on criminals and crime. In a renewed initiative, known as Operation Hawk, Safer Neighbourhoods teams, working with specialist colleagues, will be at the forefront of tackling local dealers using local community intelligence.

While officers plan a series of operations, the MPS is asking for information that could help rid communities of drug dealers and the crimes and criminals that follow them.

Anyone with information is urged to call Crimestoppers (an independent charity) anonymously on 0800 555 111.

### **Heathrow Airport Trials**

There are 'Operational Freedom Trials' happening now. It's an experiment, originally for 3 summer months, now extended to March. When delays start to build up, planes are being allowed to use the runways out of the usual schedule and not stick to the runway we expect. This means we are getting interrupted during periods that ought to be quiet. We are also getting different patterns of noise when plane take off over us during east winds.

If this is more annoying or disturbing than usual we must report it or we will find we have lost the argument against these changes becoming permanent! Tell HACAN, [www.hacan.org.uk](http://www.hacan.org.uk), but more importantly keep a note of the problem times and tell BAA! Leave a message on the BAA phone number 0800 344 844
