Did You Know?

USA President at Osterley

In 1786 Thomas Jefferson, the third President of the United States of America, visited Osterley but made no mention of the interiors by Robert Adams.

Jefferson was largely responsible for the drafting of the American Declaration of Independence signed on 4th July 1776.

There is an American Border of rare North American trees and shrubs in the gardens at Osterley Park. Clues about the nature of this garden have recently been found in an American University archive.

Armed Forces Day

A parade will take place in Hounslow High Street on Monday 26 June from 10:30am followed by a ceremony in Holy Trinity Church, to commemorate the service of men and women in the Armed Forces currently on duty as well as the service of veterans and cadets.

Now an annual event, Armed Forces Day is unlike Remembrance Sunday or Armistice Day which is held mainly to remember those who have fallen in the line of duty.

The main national Armed Forces Day event this year will be held in Liverpool on Saturday 24 June and it was decided to mark the day in Hounslow on Monday 26 June instead.

Among those representing the Armed Forces at the parade and service, will be the 1st Battalion Irish Guard, Ghurkha veterans, Royal British Legion, British Army veterans and local cadet forces
