

Dear Member

We hope you do not mind being contacted via email but trust you will understand why, on this occasion, it is necessary. Should you wish to unsubscribe please contact admin@sgra-isleworth.org.

After careful consideration we have decided that to continue to defer our AGM was pointless. To this end we will not hold an AGM this year with all the Committee members remaining in place. This is in line with the action taken by many other Associations, Societies and Clubs. All our records have been written up to the end of the financial year.

As publicising and holding our AGM is a major cost to the Association we have also decided to defer asking for your annual subscription at this time. Our Treasurer confirms we have sufficient reserves to cover all anticipated expenses. Any member who has paid in advance will receive credit for that payment.

There has been very little activity on the planning front since our last newsletter (see below) and in general in the area. One matter of note being thefts from cars including the removal of catalytic converters. Please ensure you remove all valuables and if you have a converter mark it with a serial number to make it distinctive, place a protective cover over it and consider installing CCTV and alarms.

Polly Chilvers hopes to hold her annual charity plant sale at the end of June, lockdown and social distancing permitting. Further details will be given nearer the time.

We hope to resume normal service as soon as possible in the meantime stay safe.

PLANNING MATTERS AS AT 1st JUNE 2020

Hounslow Central

Applications

None

Decisions
