

40 YEARS ON

Now 40 years old and still going thanks to all our loyal members, past and present. SGRA was established with the principal aim of protecting and improving the quality of life in our area. This is still our main focus 40 years on as we continue the work of the Association.

Monthly Committee Meetings are held on 3rd Wednesday of the month at the Milford Arms starting at 8 pm. All members are welcome to join us to observe, contribute, raise concerns or just to socialise. We look forward to seeing you there.

WE WANT YOU BACK

If you have not yet paid your subscription you will receive a reminder attached to this newsletter.

Should you wish to remain a member please complete and return the slip with £5 to one of the addresses on the reverse.

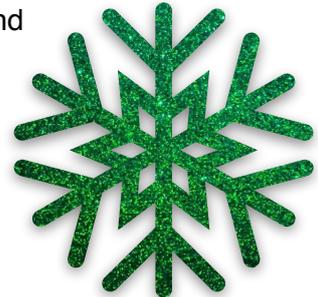

Do please renew as we'd hate to see you go.

ULTRA LOW EMISSION ZONE (ULEZ)

The expansion of this zone now includes part of Kew (including Kew Riverside Retail Park and the National Archives), Strand on the Green, Mortlake Crematorium and Townmead Road Recycling Centre.

Representations have been made to Transport for London to exclude the latter two locations. So far the Mayor has not been minded to alter the boundaries of the ULEZ.

In all cases drivers with non-compliant vehicles, living inside or outside the zone, will have to pay the £12.50 daily charge every day they drive in the zone.

DO YOU HAVE ANY OLD MOBILE PHONES LYING AROUND?

They can be recycled.

Vodafone has launched The Great British Tech Appeal in partnership with Barnados. Vodafone will accept your used smartphones and tablets – data is wiped, they are then re-boxed and redistributed to individuals and families who they have identified as most in need. Donating your device is simple, fast and free of charge.

You can drop off your smartphone, tablet or laptop at any participating Vodafone UK store.

Donations can also be accepted by post. Complete the online form and you will be sent a pre-paid returns envelope and box.
