

❄️ **SEASON'S GREETINGS** ❄️

To all our members we wish you happiness, health and fun  
with all your family during the holiday season

**WE WANT YOU BACK**

If you have not yet paid your subscription you will receive a reminder attached to this newsletter.

Should you wish to remain a member please complete and return the slip with £5 to one of the addresses on the reverse.

**Do please renew as we'd hate to see you go.**

**NEW YEAR GET TOGETHER**

Come and join your friends, neighbours, Committee members and guests at The Milford Arms on 18th January from 8:00 pm.

We have decided to defer our social event until the New Year as it has become increasingly difficult to secure a date before Christmas when members will be available.

December seems to be a busy month for everyone. This has been made more challenging by the scheduling of the World Cup 2022 which runs from 20th November to 18th December. Also we think it's nice to have something to look forward to in dreary January.

A buffet featuring hot and cold snacks (including vegetarian options) will be provided at the cost of £10 per person; drinks can be purchased at the bar.

As we need some idea of numbers please confirm your interest in attending, or if you want further information, contact Sandra Hunkin on **020 8847 2696** or by email to **[sandra@sandra15.plus.com](mailto:sandra@sandra15.plus.com)**

**We hope to see you and your family there to celebrate with us.**

The Committee would like to extend their grateful thanks to Natalie and Stuart of The Milford Arms for their hospitality during 2022. They have provided a free venue for SGRA to conduct our meetings.

## GILLETTE BUILDING PROPOSAL

The proposed development comprises the partial refurbishment and redevelopment of the site and its use as a film studio with sound stages, workshops and ancillary offices.

The elements of the site that hold heritage significance will be retained – the original part of the Gillette factory building, the Engineer's House, the National Westminster Bank, and the main frontage of the Campbells Building.

The covered car-parking shed and garage, to the rear of the Engineer's House, and the Old Mould Shop, which do not possess any special interest and do not contribute to the setting of the listing building, are proposed to be removed.

A virtual presentation of the proposals was made on Thursday, 20th October. Details are available on <https://democraticservices.hounslow.gov.uk/ieListDocuments.aspx?CId=639&MID=12599>
