

CORONATION SPECIAL

We were surprised and delighted by the turnout for our Coronation picnic on Monday, 8th May at The Green, Spencer Road.

Despite less than ideal weather conditions, grey and overcast, 30+ residents attended for some or part of the time. We also received many apologies from those unable to attend due to prior commitments including Councillor Louki and Councillor Chaudri.

Three Ward Councillors were able to join us in our celebrations and they didn't come empty-handed bringing the most majestic of cakes with them. Following the formal cutting of the cake by Councillors Daanish Saeed, Junue Meah and Aftab Siddiqui, Sandra Hunkin ensured it was equally distributed to the assembled company.

With attendees bringing food to share with others there was plenty to go round. Dishes representing many different cuisines and cultures were enjoyed by one-and-all. It would be unfair to single out any particular contribution but an honourable mention must go to Rosie and Kathryn Troop's family who, although unable to attend, provided homemade Coronation cupcakes which were delicious.

Remaining food was taken home for later consumption in doggy bags with unopened, in-date items donated to a local food bank.

The Committee would like to thank all those who helped erect the gazebos, arrange the furniture, hang up the bunting, man the food tent and arrange to have the grass cut (in spite of it being No Mow May) and then clearing it all up afterwards.

Since the event we have received many 'thank yous' from attendees which is very encouraging. Hopefully we can find another reason to do this again.
