PLANT SALE

Polly & Terry Chilvers are delighted to announce that this year's plant sale was as successful as ever.

To date over £1,000 has been raised with some of the remaining plants going to New Malden for sale there.

As significant support came from members it therefore seems fitting to donate some of the proceeds to SGRA. These will be used to help fund our summer social particularly as the grant received from London Borough of Hounslow will not meet the full cost of staging the picnic.

The remaining monies will be donated to Our Barn Community which provides activities, learning, life skills and social interaction for young people aged between 16 to 35 with learning disabilities or autism.

Thanks to everyone who supported the sale particularly those who made additional donations; may you and your plants prosper.
